U.S. Probation Officer Action:

On April 24, 2023, Ms. Cordoba reported to the Probation Office as directed. She was drug tested and was positive for Suboxone (prescription medication). All other results were negative. We discussed her discharge from Trinitas. Specifically, she was discharged because of her behavior, attitude and recording patients on her cell phone during the group sessions.

Ms. Cordoba admitted to her wrongdoing and wants another opportunity to complete an outpatient drug and alcohol program. She has an intake evaluation scheduled for April 25, 2023, at Recovery Center of America located in South Amboy.

Ms. Cordoba is employed full time and reports as directed. At this time, we are not recommending any court action to be taken. If Your Honor has any questions, please do not hesitate to contact the undersigned at (973) 223-0101.
